

OWN A PIECE OF BIG SKY'S TRAIL SYSTEM (Become a Bridge Plank Owner)

Big Sky's growing trail system features two unique bridges on the Ousel Trail and there soon will be other bridges on Big Sky trails, which are now in the planning stages. These bridges are an integral part of a trail system designed to link the community and to provide access to scenic attractions, forest service trails and park lands. You can see your name, or the name of a friend or family member, inscribed on a bridge plank which will show future generations that you and/or your family and friends were active participants in the creation of the Big Sky experience.
