Nothing herein requires the BSAC to approve any of the above uses (Accessory Apartment, Caretaker Residence, Guest House); it is solely based on the BSAC's discretion and the above criteria. - C. **Exercise of Voting Rights.** Each Membership Interest shall have and exercise such voting rights as set forth in the Bylaws.

6. ASSESSMENTS

A. Liens and Assessments: Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Unit, Lot or Tract, within the Subdivision, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments and (2) special assessments. Annual assessments shall be billed on an annual basis as established in the Bylaws and notice of the same shall be mailed to each Owner as established in the Bylaws. All assessments become due 30 days after the date of mailing notice of such assessments. All assessments together with interest, costs, and reasonable attorney's fees, shall be a charge on the land, run with the land and shall be a continuing lien upon the property against which each such assessment is made.

Failure of the Board to set the annual assessment amount or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay these assessments. In such event, each Owner shall continue to pay the annual assessments on the same basis as during the last year for which an annual assessment was made, if any, until a new budget becomes effective and a new annual assessment is levied pursuant thereto. Any such budget may include as an expense item any shortfall in amounts previously collected.

No Owner may exempt himself/herself from liability for any assessments by non-use of or abandonment of his/her Unit, Lot or Tract, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

Upon request, the Association shall furnish to an Owner or his/her title company or mortgage company written (mailed, e-mailed, or faxed) or oral verification of the amount of such assessment owing and whether the Owner has paid such assessment. The Association may require the advance payment of a reasonable processing fee for the issuance of such verification.

B. Annual Assessments. The Board shall establish and levy annual assessments in an amount that the Board estimates will be sufficient to raise the funds needed to perform the duties of the Association during each fiscal year. The annual assessments shall include a portion for reserves in such amounts as the Board in its discretion considers appropriate to meet the costs of the future repair,

replacement or additions to the major improvements and fixtures that the Association is obligated to maintain and repair.

- C. **Special Assessments.** In addition to the annual assessments authorized above, the Board, at any time, may levy and establish the due dates for a special assessment in order to raise funds for unexpected operating or other costs, insufficient operating or reserve funds, or such other purposes as the Board in its discretion considers appropriate.
- D. **Uniform Rate of Assessment.** Annual and Special Assessments for Members in this Subdivision shall be fixed at the same uniform rate for each Unit, Lot, and Tract. That is, each Unit, Lot, and Tract shall be assessed the same amounts regardless of size, and may be collected on a basis to be determined by the Board in the Bylaws.
- E. **Restrictions on Increases in Annual or Special Assessments.** The Board may not increase an annual assessment or levy a special assessment on any Unit, Lot or Tract except as set forth in the Bylaws.
- F. **Effect of Nonpayment of Assessments and/or Fines: Remedies of the Association.** Any assessment or fine not paid within sixty (60) days after the due date shall be delinquent, shall incur a late payment penalty in an amount to be set by the Board from time to time, not to exceed the maximum permitted by applicable law, and shall bear interest at a rate established by the Board which shall not exceed the maximum interest rate authorized by law until paid. Failure to pay within sixty (60) days of the due date will result in the Association recording a lien against the property being assessed or bringing an action at law or both. Suit to recover a money judgment for unpaid assessments, fines, late charges, interest and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

The Association may record that lien with the office of the Clerk and Recorder, Gallatin County, Montana, or bring an action at law to collect the lien or foreclose the lien against the real property in the same manner as a mortgage on real property, and the Association shall be entitled in any such actions or foreclosure proceedings to recover its costs, expenses and reasonable attorneys' fees. The Association, acting on behalf of the Owners, shall have the power to bid for the Unit, Lot, or Tract at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. During the period a Unit, Lot, or Tract is owned by the Association following foreclosure, no right to vote shall be exercised on behalf of the Unit, Lot, or Tract and no assessment shall be assessed or levied on the Unit, Lot, or Tract. The Board may authorize the execution and recordation of a deed

conveying title to the Unit, Lot, or Tract which deed shall be binding upon the Owners, their successors, and all other parties.

Legal proceedings may be either to restrain violation of the Protective Covenants or to recover damages or both. Such lien will be recorded in the office of the Clerk and Recorder, Gallatin County, Montana.

Should any lawsuit, arbitration or other legal proceeding be instituted by the Association against an Owner alleged to have violated one or more of the provision of these Protective Covenants and/or the Bylaws and should the Association be wholly or partially successful in such proceeding, the offending

Owner shall be obligated to pay the costs of such proceeding, including reasonable attorney's fees, costs and cost of collecting the judgment.
